### **Burckhardt Compression: Change in the Executive Board**

**Martin Heller, Vice President Business Development and a member of the Executive Board of Burckhardt Compression AG, is retiring early at his own request. The 61 year-old held various positions during a more than 30-year career at Burckhardt Compression. Martin Heller will leave the company on December 31, 2015.**

Martin Heller assumed the position of Vice President Business Development in April 2012. He previously held various management positions at Burckhardt Compression, including Vice President Sales Compressor Systems for more than twelve years. Martin Heller has now decided to enter early retirement on December 31, 2015 at his own request.

The Board of Directors and the Executive Board of Burckhardt Compression thank Martin Heller for his many achievements and contributions over the years and wish him all the best for the future.

#### **About Burckhardt Compression**

Burckhardt Compression is one of the worldwide market leaders in the field of reciprocating compressors and the only manufacturer that covers a complete range of reciprocating compressor technologies. Its customized compressor systems are used in the upstream oil & gas, gas transport and storage, refinery, chemical, petrochemical and industrial gas sectors. Burckhardt Compression's leading technology, high-quality compressor components and the full range of services help customers to minimize life cycle costs of their reciprocating compressor systems around the world. Since 1844 its highly skilled workforce has crafted superior solutions and set the benchmark in the gas compression industry.
