## **Burckhardt Compression expands its service activities in the Nordic Countries through a collaboration agreement**

**Burckhardt Compression Holding AG has entered a strategic alliance with Kompressortechnik ML AB, a Swedish company based in Ludvika, Sweden. This alliance is intended to strengthen Burckhardt Compression's presence in Sweden, Norway, Denmark, Finland and Iceland. Kompressortechnik ML AB has years of experience servicing oil-free compressors and bundles its services to meet individual customer needs.**

Burckhardt Compression is expanding its presence in the Nordic Countries by entering a strategic alliance with Kompressortechnik ML AB. As part of this collaboration, a service center will be set up close to Gothenburg, Sweden, where service and repair work on both Burckhardt Compression and other brands of reciprocating compressors will be performed. This will put Burckhardt Compression even closer to its customers in the Nordic Countries and ensures that the company can react even faster on customer needs.

### **About Burckhardt Compression**

Burckhardt Compression is the worldwide market leader for reciprocating compressor systems and the only manufacturer and service provider that covers a full range of reciprocating compressor technologies and services. Its customized compressor systems are used in the upstream oil & gas, gas transport and storage, refinery, chemical, petrochemical and industrial gas sectors. Burckhardt Compression's leading technology, high-quality compressor components and the full range of services help customers to minimize the life cycle costs of their reciprocating compressor systems around the world. Since 1844 its highly skilled workforce has crafted superior solutions and set the benchmark in the gas compression industry.
